(v) SUSPENSE TRANSACTIONS:-

The expenditure in this grant includes Rs.3,59.78 lakh shown under "2215-Water Supply and Sanitation-01-Water Supply-799-Suspense". The minor head 'Suspense' records transactions of temporary character which are either not adjustable as final outlay of the works concerned or the correct classification of which cannot be determined immediately. Accordingly, the transactions under this head, if not adjusted to the final head of account, are carried forward from year to year. The 'Suspense' head consists of four sub-divisions :-

(1) Purchase (2) Stock (3) Miscellaneous Works Advances (4) Workshop Suspense.

The nature of transactions and accounting procedure falling under each sub-division are explained below-

(1) *Purchase*- This sub-division has become in-operative in view of the new accounting procedure introduced in the State from 1983-84. However, only previous balances are carried forward and no transaction has appeared in the subsequent years.

(2) *Stock*- This head is debited with the value of materials acquired not for any particular work but for the general use of the division. It is credited with the value of materials issued for use on works or sold or transferred to other divisions. This head will, therefore, show a debit balance indicating the book value on material held in stock plus unadjusted charges connected with the manufacture of materials if any.

(3) *Miscellaneous Works Advances*- This head comprises debit for the value of stores sold on credit, expenditure incurred on deposit work in excess of deposits received, losses of cash or stores not written off and sums recoverable from government servants etc. The debit balances under this head represent recoverable amount.

(4) *Workshop Suspense*- Charges for jobs or other operations in Public Works departmental workshops are debited to this head pending their recovery or adjustment.

(v) Calamity Relief Fund

This Fund (with revised administrative instructions) recommended by the 11th Finance Commission came into force with effect from 1st April 2000 in continuation of the 'Calamity Relief Fund' which was operative till the end of the financial year 1999-2000. All natural calamities such as drought, flood, cyclone, earthquake, hailstorm, fire etc. qualify for relief under this scheme which will be operative till the end of the financial year 2004-05. The contribution to the Fund for the year 2004-05 fixed by the Government of India for State of Madhya Pradesh was Rs.78,40.00 lakh, seventy-five percent of which (Rs.58,80.00 lakh) was contributed by the Central Government in the form of Non-Plan grant, credited initially under the head "1601-Grant-in-aid from the Central Government-01-Non-Plan Grants-109-Grants towards contribution to Calamity Relief Fund" and the balance twenty-five percent (Rs.19,60.00 lakh) was to be contributed by the State Government. The total contribution was to be transferred to the Fund under the head "8235-General and Other Reserve Funds -111-Calamity Relief Fund" or if it is not possible to invest the fund under the head "8121-General and Other Reserve Funds-115-Natural Calamity Unspent Marginal Money fund, after making provision for this purpose in this Grant under Major Head "2245-Relief on Account of Natural Calamities-05-Calamity Relief Fund-101-Transfer to Reserve Funds and Deposit Accounts-Calamity Relief Fund". Expenditure on relief of assistance is initially debited against the provision in this Grant and an equal amount transferred to the Fund before the close of the accounts of the year. After re-organisation of Madhya Pradesh State from 1 November 2000, the closing balance of Rs.1,02,46.44 lakh as on 31 October 2000 under Major Head "8235-General and Other Reserve Funds-111-Calamity Relief Fund" did not lapse to Government and was retained in Madhya Pradesh pending decision of G.O.I. This amount has been shown in bold font in Statement No.16 of Finance Accounts 2004-05. There was a credit balance of Rs.2,42,42.08 lakh in the account of the Fund under Major Head 8121-General and Other Reserve Funds-115-Natural Calamity Unspent Marginal Money Fund as on 1 April, 2004. During the year, a sum of Rs.78,40.00 lakh was to be credited to this head by debit to Major Head 2245-05-101-475-Transfer to Reserve Funds and Deposit Accounts-Natural Calamities Unspent Margin Money Famine Relief Fund" but no amount was credited to the fund because the required sanction for periodical adjustment has not been issued by the State Government and no expenditure incurred on Natural Calamities was debited to this Fund before the close of the account of the year. There was a credit balance of Rs.2,42,42.08 lakh in the account of the Fund under Major Head 8121-115-Natural Calamity Unspent Marginal Relief Fund on 31 March 2005.

When the Fund is classified under Major Head 8235 –General and Other Reserve Funds-111-Calamity Relief Fund, the accretions to the Fund were required to be invested in treasury bills, Government of India securities, public sector bonds and units of the Unit Trust of India, public sector banks and co-operative banks. If it is not possible to invest the Fund, it should be classified under Major Head 8121-General and Other Reserve Funds-115-Natural Calamity Unspent Marginal Relief Fund" and State Government should pay interest to the Fund at one-and-a-half times the rate applicable to overdrafts under Overdraft Regulation Scheme of R.B.I. The interest is to be credited on a half-yearly basis by debit to Major Head 2049-Interest Payments-05-Interest on Reserve Funds-105-Interest on General and Other Reserve Funds. No investments were made and no amount of interest was credited to the Fund during the year.

Account of the transactions of the Fund is included in Statement No. 16 of the Finance Accounts 2004-05.

(i) Surrender of Rs.2,45.65 lakh on 31 March 2005 was in excess of the available saving of Rs.2,40.36 lakh.

(ii) Defective Budgeting:

As per Government Accounting Rules, expenditure on Grant-in-aid to Local Bodies has to be classified as Revenue expenditure and not as Capital expenditure except where specifically authorised by the President of India and revenue account should bear all subsequent charges for maintenance and all working expenses. During 2004-05, the State Government has incorrectly provided Rs.25,00.00 lakh and paid Rs.22,59.64 lakh under head 4217-01-191-1201-Externally Aided Projects (Normal)-8294-Assistance for Bhoj Wetland Conservation under Capital Section of the Budget and Accounts instead of Revenue Section. Similar misclassification of provision and expenditure on grant-in-aid had occurred during 2003-04, 2002-03 and 2001-02 also.

(iii) Saving in the provision occurred under:-
